Dear Sir:

Applicants respectfully thank the Examiner for the Notice of Allowance and Issue Fee Due and the Notice of Allowability mailed January 10, 2007. With regard to the Examiner's statement of reasons for allowance, while applicant believes that the claims are allowable, applicant does not acquiesce that patentability resides in each feature, or a single feature, as exactly stated by the Examiner, or as exactly as expressed in the claims, nor that each feature is required for patentability. Applicants believe that there are additional reasons that the claims can be distinguished from the prior art, other than the reasons stated by the Examiner.

Respectfully submitted,

Date: April 3, 2007
